#### About Synertec:

Synertec Corporation Ltd (ASX: SOP) provides mission-critical engineering products and solutions to complex, high-risk and highly regulated industries. The Company targets industry segments with high barriers to entry and high client reputational risk, including Pharmaceuticals, Critical Infrastructure, Oil & Gas, Water and Defence.

Synertec has delivered 24 years of growth and development as a multidisciplinary and integrated consulting business, delivering end-to-end proprietary engineering products and solutions which leverage the Company's ability to develop commercial intellectual property through innovative partnerships with a portfolio of blue-chip customers.

Engineering products and solutions for complex, high risk and highly regulated industries
